

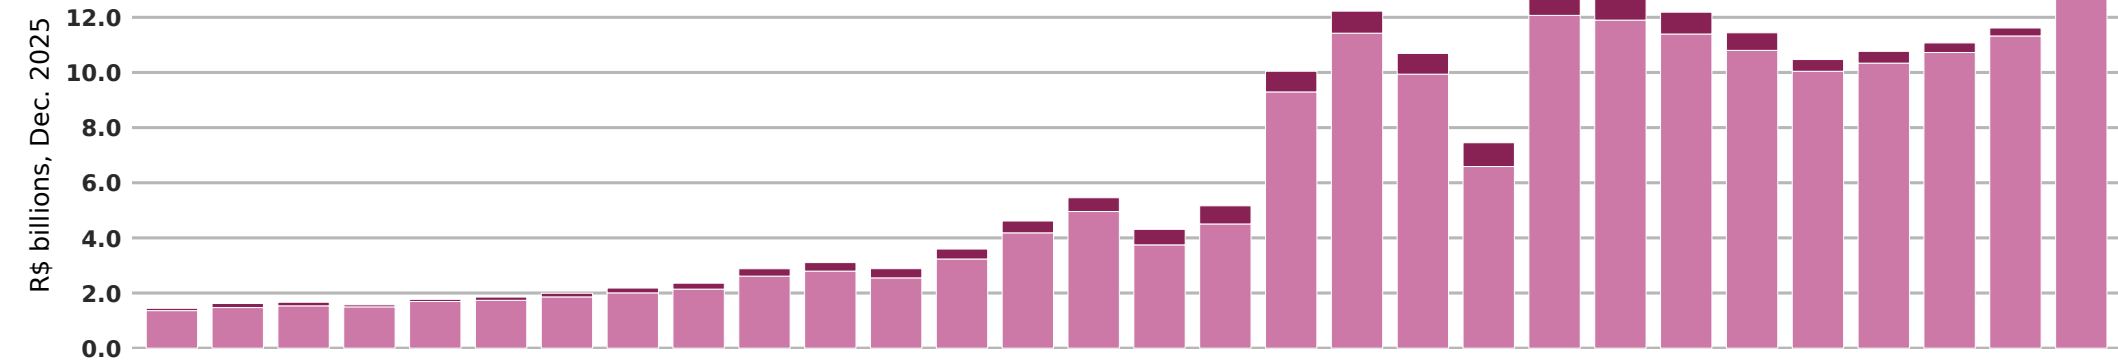

# Figure 8. Brazil: incarceration and the incarceration benefit

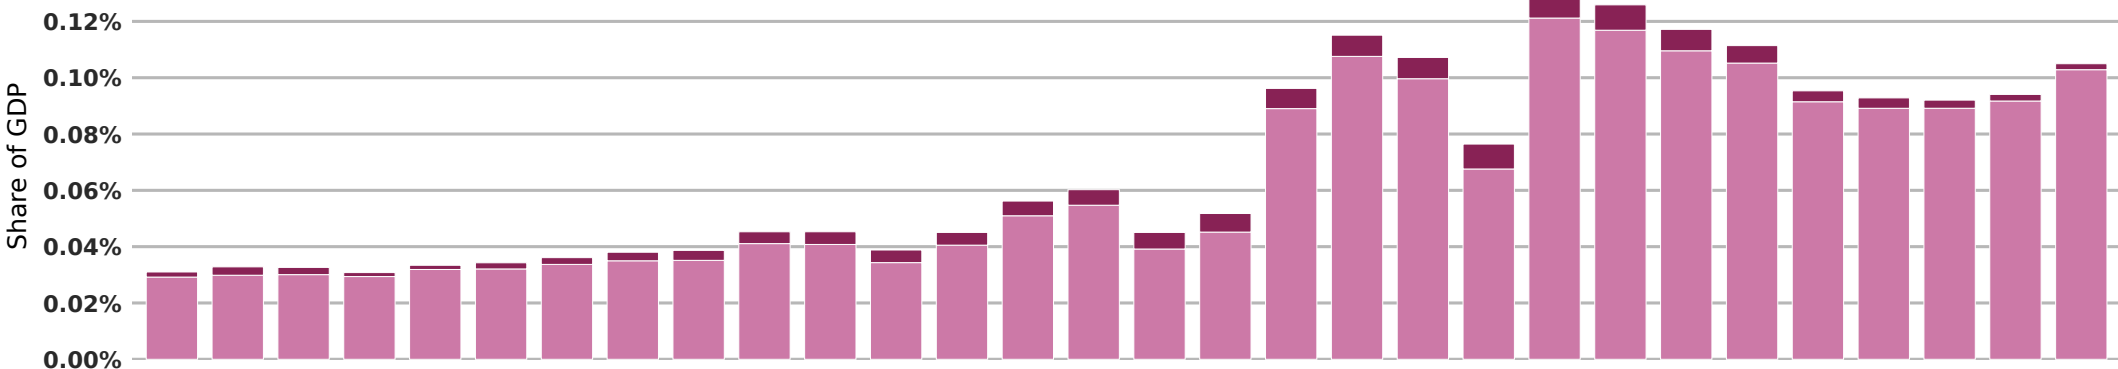

1996-2025 | real values, share of GDP, and share of total

Custody and social reintegration    Incarceration benefit (transfer)

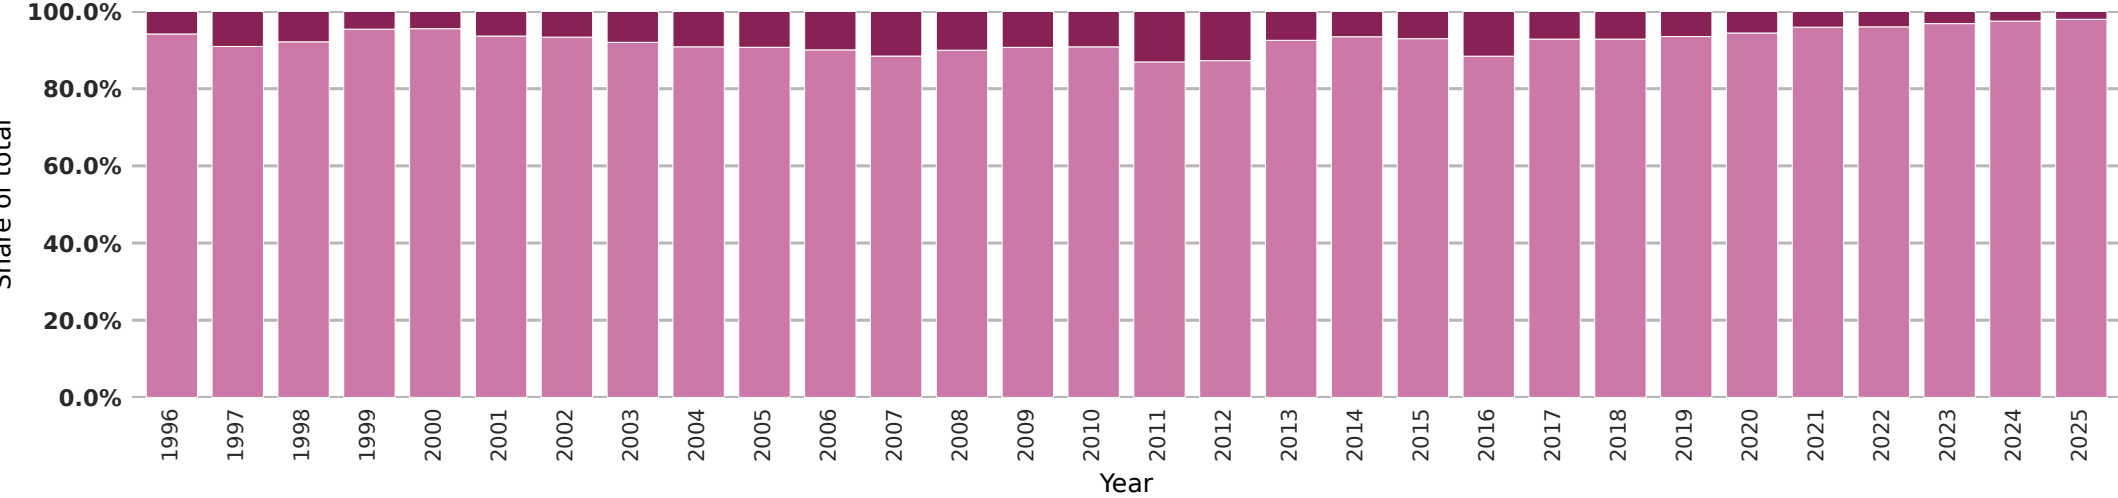

## A. Real values

## B. Share of GDP

## C. Share of total

Source: Authors' calculations using SIGA Brazil, National Treasury/Siconfi, Ministry of Social Security, SISDEPEN, and Ipea data. Values in December 2025 reais. The incarceration benefit is a social-security transfer and is not conceptually equivalent to prison operating expenditure.
